Dear Members of the Lake Norman Art League,

We would like to thank you for your support of and interest in the Lake Norman Art League. We are now accepting membership renewals for the September 2009 - August 2010 membership year. Our membership rates remain \$35 for individuals and \$50 for households.

We hope you will consider renewing your membership and join with us in growing and celebrating the arts in and around Lake Norman. A membership application can be downloaded from our website at http://www.lknart.org/09-10_LKN-Membership-Application.pdf.

The new board is hard at work planning the events for the next membership year. Please see the enclosed calendar of events for the remainder of 2009 and early 2010.

Our website, <http://www.lknart.org>, is in the process of being redesigned and restructured to provide enhanced content and easier communication of League and regional events and opportunities. Look for the launch of the new website in late September. We would like to integrate photos of members work into the site design. If you would like your work included, please submit your photos by September 3rd. See enclosed information on requirements for submissions.

As an added benefit for our members, we will now include an artist page on our website for each member interested in displaying biographical and contact information and images. If you would like to receive an artist page on our new website, please see the enclosed document for more information. All materials received by September 18, 2009, will be included in the launch. Materials received after the deadline will be included after the launch of the website.

The Board has approved the purchase and installation of a gallery hanging system, which will be in place prior to our annual Fall Exhibit this September. This will make exhibits much less time consuming and easier to hang. Please consider sending in an extra donation with your membership application to help us cover the \$2625 cost of materials. We will be able to reuse this system for many years no matter where our gallery space is located.

As always, we value your feedback. Please send any comments or suggestions to info@lknart.org. We look forward to another great year together.

Sincerely,

Lake Norman Art League
