This was a successful exhibit for the Lake Norman Art League with four pieces sold, plus several note cards, and increased visibility in the community.

The public voted making this a fun, interactive exhibit. Every piece had at least one viewer's choice vote, and the voting was close, not just among the award winners; there were many pieces that came close to winning.

Thanks to all of the volunteers that helped gallery sit, helped by providing items for the opening reception and each night of Christmas in Davidson, and helped pass out flyers.

Special thanks to Ed and Leota Henry for making the Lake Norman Art League sign. That directed visitors to our space.

Members work displayed at Infiniti of Cornelius

Thank you all who submitted work to be displayed at Infiniti. Members work will be rotated on a regularly scheduled basis, to be decided. This is a perfect venue to display and sell members art. The League is working with Infiniti to establish two juried shows (Spring and Holiday) a year at the dealership. Infiniti will keep bio's for all the artists and supply them to any customers who inquire. All works will have labels with the artist's name, medium, size, and price. The Lake Norman Art League commission for selling art out of the dealership is 15%. Infiniti is excited about this partnership, and has promised to market and promote the LKN throughout the year.

Please stop by the dealership to view this extraordinary exhibit.
